1. FTES= Full Time Equivalent Students. The University's total headcount for Fall 2004 was 218,134.

2. Space needs are generated by applying approved CUNY Space Guidelines to FTES data from the Institutional Research Faculty Teaching Load Report for Fall 2004. Space guidelines are adjusted during campus master planning and specific project programming to reflect current teaching and research methods.

3. Variations in NASF/FTE Need reflect variations in college curricula and enrollment by disciplines.
